# Hosted PBX solutions that work for your business

1 Point Communications offers the next generation of phone service. Eliminate the need for multiple vendors and expensive premise-based phone systems. Call today to schedule an on-site demonstration.

## SOLUTIONS

- HOSTED PBX
- FAX2MAIL
- CONFERENCING
- DEDICATED INTERNET ACCESS

At 1 Point Communications we offer a Hosted PBX service that replaces your traditional and less flexible premised-base phone system. 1 Point Communications delivers a converged technology that requires minimal capital expense, provides automatic software updates, is highly scalable to accommodate growth and offers easy online administration.
